Life's ups and downs. One day you're in a wedding dress — and the next a hospital gown. You're worried about your health and missing weeks of work. How are you going to pay for everything? Be better prepared for moments like these with an Aetna Critical Illness Plan.

We pay *you* cash benefits

It's your money to spend

Our critical illness plan pays you lump-sum cash benefits for a wide range of covered conditions — including a heart attack, a stroke, cancer and more. Use the money to help pay medical bills or everyday living expenses like groceries or rent. The choice is yours. You can also sign up for direct deposit to get your benefits faster.

Our plan works with your health plan

We won't deny coverage based on your health. There are no doctor exams to take or medical questions to answer. And we pay you even if you have other insurance coverage. This means it pairs well with your major medical plan.
